We Need You !

MANAGERS & COACHES

Team Managers are the heart of our organization. **Managers** have the greatest influence over kids in the league. **Managers** perform the main coaching, leadership and administrative tasks for each team.

Coaches are the people who assist the manager. We invite/encourage all parents to help and support our managers.

One way SFBI helps prepare managers and coaches is to provide an opportunity to attend a coaching clinic.

Every division of the league struggles with getting enough parent volunteers to manage our teams. Please consider helping your child today.

If you are interested in managing a team, please call a league director to find out more details.

UMPIRES

South Farmington Baseball is looking for individuals interested in umpiring league games. If you are at least 11 years old, you can be an SFBI umpire. Umpires are paid from \$20 to \$40 per game, depending on the division or age group of the game.

SFBI also needs adult umpires over the age of 21.

For info, call Lori McCarthy at 248-476-7243

SFBI is a volunteer organization. There are many opportunities available to help support your child. Commitment levels vary from one-time workdays to year-round board positions.

If you are interested in a board position, please contact Jim Larsen, SFBI President, 248-474-7789.
